

Datasheet: 0100-0253

Description:	NATIVE BOVINE BMP COCKTAIL
Name:	BMP
Format:	Purified
Product Type:	Purified Protein
Quantity:	10 µg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.abdserotec.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	■			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species	Bovine
Product Form	Purified preparation from bovine bone - liquid
Preparation	4 M Guanidinium Chloride extract, 3 step chromatography procedure
Buffer Solution	Without preservatives
Preservative Stabilisers	None present.
Storage	Store at -20°C only. Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the protein. Should this product contain a precipitate we recommend microcentrifugation before use.
Shelf Life	6 months from the date of despatch.
Health And Safety Information	(A full Health and Safety assessment is available upon request)
Regulatory	For research purposes only
